Description

This detached chalet style property is uniquely situated off The Ridge, down a long driveway amidst a large area of garden which provides extensive parking and detached workshop, outdoor swimming pool and established gardens. The property provides spacious accommodation with an impressive open-plan 32' living/dining room that opens out onto the pool and leads into a large garden room. There is a kitchen, separate utility room, with two bedrooms to the ground floor and two bedrooms to the first floor. The house requires some general modernisation but benefits from double glazing, gas central heating and solar voltaic panels with battery storage.

Outside the large secure position is set back on a block paved driveway with ample parking and turning. There is a large area of concrete that we understand used to house a big detached workshop and the established gardens include workshop, greenhouse and raised kitchen planters. With its convenient location and south facing gardens viewing is highly recommended.

Directions

From Battle proceed along the Hastings Road to the roundabout by Bannaynes, take the second exit onto The Ridge where the property will be found a short distance after the reservoir on the right hand side, accessed via a two brick pillared entrance. What3Words: ///tile.drop.amount
