Landlord Comments: "This newly renovated flat in South Croydon is not just a place to live; it's a sanctuary that encapsulates everything I enjoy about life.

Its location was great for quick travel into London Bridge or Victoria (17 minutes on the train), or East Croydon (10 minutes on the bus). I was rarely late anywhere, as it took me 5 minutes to walk to South Croydon Train Station.

I also found that the flat is the perfect balance between near-countryside living (10 min walk to Lloyd Park and Addington Hills, which have a famous viewpoint showing views across north London, Docklands, and Parliament Hill), but also the opportunity to enjoy the bustling metropolitan feel of Boxpark Croydon or quick access to Central London for a fun evening out."
