The two houses offer approximately 2281 square feet (including garage) of internal accommodation and include an impressive entrance hall, a large living room with dual aspect windows and sliding doors onto the gardens. The kitchen/family/dining area is an enormous space that is perfect for people that enjoy entertaining and families alike. The kitchen includes a range of wall and base units, stunning high-quality worktops, integrated appliances, an island, room for a table and chairs, room for sofas and large sliding doors open onto the gardens. There is also a utility room, downstairs w.c. and access into the integral garage.

The master bedroom is an incredible space with dual aspect windows, fitted wardrobes and a large en-suite shower room. There are three further double bedrooms on the first floor, one of which include fitted wardrobes. There is also a family bathroom with a bath and separate shower.

Externally, both houses will have good size gardens with three allocated parking spaces in addition to the integral garage.

Positioned off Victoria Road, the location is very quiet and just 5 minutes' walk of both the town centre and the train station.

These two houses are expected to be completed towards the end of October 2023.
