PROPERTY DESCRIPTION

Cathedral Meadows by Banks Homes is a special development of expertly designed, bespoke, detached homes created exclusively for this superb semi-rural location. Offering exceptional design both inside and out, combined with a beautiful level of interior specification, we believe Cathedral Meadows on the border of Durham City in West Rainton, this location will be the one to call home. With a golf course and luxury spa as your neighbour, a perfect commuting corridor, not to overlook the views of Durham Cathedral to the west As part of the Banks Group, Banks Homes have decades of experience and expertise in developing high quality housing sites in exceptional locations across the North East of England, Yorkshire and Scotland since 1976. With an overarching ethos of 'development with care', we take pride in the homes we build and sell, from the very first floorplan to the final handover of your new home.

What makes a house a Banks Homes luxury home... dedicated to making homeowners feel special. Buying a house is one of the biggest financial investments a person can make in their lifetime. With Banks Homes experience, we aim to ensure a smooth and supportive home buying journey. With a dedicated point of contact and regular catch-ups, we listen to your needs and offer exceptional after-sale support, ensuring you feel right at home. From helping you choose the style of your fixtures and fittings to recommending reliable mortgage brokers, we're here when you need us. After all, it's not just about the home but about your journey to unlocking the life you've always dreamed of.

From our family to yours Family-owned Banks Homes, are reliable, work with integrity, and take pride in their work. With nearly five decades of experience, they're the company you can trust - Everything you expect when investing in your forever home.
