

Portland Road

Kilmarnock, KA1 2BS

Greig Residential are delighted to present to the market this imposing extensively renovated five bedroom traditional semi-detached house located in one of the most sought after & rarely available positions in the heart of Kilmarnock offering expansive accommodation over three floors with elevated views over some of the town's most famous institutions.

This property has been lovingly restored & upgraded to the highest standard & is complemented by rarely retained traditional features, impressive rear gardens and driveway. The attention to detail in this property is evident from the outset & is in move in condition, making it the ideal family home, also renovated with efficiency in mind having been extensively insulated & with potential to install log burner. Close to all local amenities including good primary & secondary schooling, restaurants, bars, supermarkets & leisure facilities. It is also ideally located for those looking to commute to neighbouring towns & cities via car or indeed public transport. We are confident this property will impress all who view it.
