## 230 Beacon Street, Lichfield, Staffordshire, WS13 7BH

# £495,000

This truly stunning late Victorian semi detached family home enjoys a wonderful position within this established district of Lichfield. Having undergone a general programme of improvement the property is immaculately presented, with great care taken to preserve its natural character and heritage. Sash style double glazed windows have been installed where appropriate which perfectly reflect the original period styling of the property. The attic has been converted in the past to create a very generous bedroom with an en suite, which together with the two good first floor bedrooms and bathroom make this a very comfortable family home. Unusually for Beacon Street the property has its own gated driveway and garage which provides an excellent parking facility, together with superb sized rear garden. The location is particularly convenient with ease of access to local amenities including the park and supermarket, but also into the city centre itself. To fully appreciate the accommodation on offer, along with its very stylish presentation, and an early viewing would be strongly encouraged.
