DESCRIPTION

Occupying an elevated position on the eastern fringes of the city is the spacious, double fronted mid terrace property. The property benefits from generous room sizes, far reaching views towards both the Cathedral and Tor Woods.

Upon entering the property is a porch, with space for coats and shoes, opening into the hall. Leading off the hall is the dual aspect sitting room with views over the front garden towards the golf course along with views of the garden to the rear. A feature fireplace with a log burner features as the main focal point of this well-proportioned room.

Across the hall is the kitchen dining room, again a sizeable room with a dual aspect. The room naturally divides into two distinct areas; the kitchen features a good amount of units with wooden doors, space and plumbing for a washing machine, space for a cooker, stainless steel sink and a peninsula/breakfast bar. The dining area can comfortably accommodate a table to seat eight to ten and benefits from an under stairs cupboard and a further door leading out to the front garden. Tucked away neatly in the corner is the 'ideal' gas boiler. Off the dining area is a rear lobby, again perfect for coats and shoes, which leads out to the rear garden.

Stairs rise to the first floor where there are three bedrooms and the family bathroom. To the front, again with views towards the golf course and the Cathedral, are two generous double bedrooms both with built-in cupboards. The third bedroom, with rear aspect, is a cosy double or generous single in size. The bathroom, comprises a bath with shower above, WC, vanity wash basin and a heated towel radiator. Also accessed from the landing is the airing cupboard housing a hot water cylinder.

OUTSIDE

To the front of the property is a path leading to the front door. On either side of the path is an area of gravel, for ease of maintenance, which is planted with mature trees and shrubs. This provides the perfect spot for a garden bench from which to enjoy the sunny southerly aspect.

Accessed from the rear lobby, the rear garden is fully enclosed and comprises; a patio area with a natural stone wall and steps leading up to a series of shallow terraces, which are planted with mature trees and shrubs and offer a great area for outdoor furniture and entertaining.
