Description

Charming two-bedroom character cottage blending period features with contemporary style, benefiting from a lovely, enclosed garden and off-road parking, in an enviable village location.

Centrally located in the thriving rural village of Mark, within a short distance of the post office and village store, two cosy welcoming pubs, and the church, is this delightful, terraced cottage with its stripped wooden floorboards and its beamed ceilings. Two reception rooms, either side of a central entrance hall, offer plenty of space for comfortable seating around a feature fireplace, and a dining area with an aga and ample room for a dining table and other furniture. The kitchen is at the rear of the cottage with views across the garden from the kitchen sink. At the top of the stairs there is a cosy seating and study area. Two double bedrooms look out over the front of the property and they share a sleek modern shower room.

At the rear, the garden spans the width of the cottage, with level lawn and paved pathway linking the two areas of decking which provide sunny and private entertaining and relaxing spaces. At the front of the cottage there is off-road parking.
