Situated within two recently developed Grade II Listed townhouse conversions is this newly refurbished 2 bedroom raised ground floor apartment spanning circa 750 sq ft (approx.) with shared large garden. This boutique development has retained its historical façade and original character with iron railings, ornate door frames and sash windows.

A private entrance steps up directly into the raised ground floor apartment with stripped back original panelled hallway leading to the impressive large living room complete with marble fireplace and large sash windows, sympathetically designed with reverse blinds. Off the hallway is a great sized master double bedroom and second double bedroom overlooking the

garden, both again featuring an original marble fireplace. There is also a fully fitted modern kitchen and three piece tastefully tiled bathroom. Light oak manufactured wide floorboards feature throughout with carpeted bedrooms and the high ceilings add to the grandeur of this apartment, with access to a huge communal South facing garden.

Cable St is steeped in East End history and these Georgian townhouses would have overlooked London's Battle of Cable Street 83 years ago. Situated just a stone's throw from Gardiner's Corner in Whitechapel where the main confrontation took place in 1936 when anti-fascist demonstrators forced back the march of Sir Oswald Mosley and his blackshirts.

The City, Central London & Canary Wharf are on the doorstep with Shadwell DLR & Overground stations less than a 5 minute walk away. A scenic stroll into The City via the historic Tower of London is an option and there is also access to Tower Hill for
