About the Property

On entering the property, there is a generous hallway that acts as the core of the home with a staircase that rises to all floors.

The layout of the property is superb as it presents an impressive open plan kitchen/lifestyle room and a large separate living room enjoying access to a private terrace overlooking the landscaped rear garden.

The bedrooms are all generous doubles with the principal bedroom enjoying a walk-in wardrobe and an ensuite shower room. Similarly, the second bedroom has its own ensuite bathroom, whilst the third and fourth bedrooms share a modern family bathroom.

We particularly like the arrangement of bedrooms as the positioning allows for a degree of separation and provides privacy for guests, alternatively distance from teenagers! The arrangement of the bedrooms also provides strong potential for home working, accommodating a relative or welcoming guests for extended stays.

Architectural features such as vaulted ceilings and cathedral-style windows give the property a sense of space and light, and the accommodation is presented in superb order throughout.

The property sits within a mature plot with surrounding established trees, and the private rear garden is fully enclosed. To the front, a driveway extends to a integral double garage with an EV charging point & storage cupboards.

From family buyers wanting a location close to well-regarded schools, to commuters wanting the convenience of a nearby mainline train station and purchasers wanting a flexible layout, the property ticks a lot of boxes and enjoys a superb location.
