The Outbuildings

An original stone cowshed range, part of which now forms the self contained cottage but with the remaining section having had planning permission for conversion to a Holiday Cottage. Work has partially commenced. A substantial building which will provide 2 storey accommodation. The roof has already been renewed and has Velux windows, window openings and doors all in uPVC double glazing. The floor area overall measures some 20.5 x 17'7".

The accommodation will provide - 2 Bedrooms to the Ground Floor with Bathroom/Shower Room and a Staircase to an open plan First Floor Living/Kitchen/Dining Room.

An Adjacent ground floor building which will be incorporated into the accommodation measures 11'8" x 18'4" has laminate flooring, front aspect window and patio door at side with glorious views.

Second Stone Range

48' 0" x 22' 0" (14.63m x 6.71m) Across the traditional Farm Yard is a second stone range comprising of the usual Barn, Stable and Arched Coach House with Loft over. Planning permission has in the past been approved for conversion of this building to a 4 bedroomed holiday accommodation but is large enough in size to accommodate two separate units.

The Farm Yard

The property is accessed via tarmacadamed driveway from the adjoining county road with access to the field and continuing access to the adjoining property.

The original traditional farmyard is of hardcore surface and is flanked on each side by the stone outbuildings.

The farmhouse overlooks the yard and beyond which is a large grassed area leading down to the boundary where there is post and rail fencing. Beyond are panoramic unspoilt country views.

To the side of the Cottage is a hard standing parking area and garden for several vehicles and a garden area.

The Land

Adjacent to the Homestead provides a highly fertile pasture paddock all level with roadside frontage. There is a field shelter/stable thereon.

The whole property extends to some 3.46 acres or thereabouts.

Services

Mains Electricity and Water. Private drainage to a septic tank. Oil fired central heating to the main Farm House.
