PROPERTY DESCRIPTION

3Keys Property are delighted to present this spacious two-bedroom detached bungalow to the open sales market, offered with the significant advantage of no onward chain. Originally constructed as a three-bedroom bungalow, the accommodation has been thoughtfully reconfigured to create an open-plan dining room, providing flexible and comfortable living space. The property is tucked away in a quiet cul-de-sac in the highly sought-after residential area of Bessacarr, Doncaster, making it ideal for downsizers, retirees or buyers seeking a well-cared-for home.

Presented in good order throughout and clearly well maintained over the years, with a well-kept garden, ample driveway parking and no onward chain, the property combines convenience and comfort.

The covered front entrance opens into the main hallway, which is fitted with wood-effect laminate flooring, a central heating radiator and two large storage cupboards, along with a further cupboard housing the combi boiler installed in 2022 and benefitting from a ten-year warranty. The hallway also features two single pendant light fittings and provides access to the main living accommodation, kitchen, bedrooms and shower room.

The L-shaped lounge and dining room forms the main reception space and offers excellent versatility, with the dining area having been created from the former third bedroom. The room is fitted with carpet throughout, central heating radiators and three ceiling light fittings. A double-glazed window allows plenty of natural light, while patio doors open directly into the conservatory, creating a pleasant connection to the rear garden.

The kitchen is functional, well maintained and fitted with a range of wall and floor units with granite work surfaces. There is a sink with mixer tap, tiled splashbacks and integrated appliances including an electric oven, grill, hob and fridge. The kitchen features carpeted flooring, a side-aspect window, spot lighting and a door leading through to the utility room.

The utility room provides valuable additional storage and workspace and includes plumbing for a washing machine, space for a tumble dryer, carpeted flooring, a central heating radiator and a wall light fitting. Two external doors provide direct access to both the front driveway and the rear garden, adding to the practicality of the layout.

Positioned at the rear of the property, the conservatory enjoys views over the garden and is fitted with tiled flooring, a central heating radiator, a single pendant fan light fitting and French doors opening onto the garden, making it a pleasant space to enjoy throughout the year.

Bedroom one is located to the front of the property and benefits from fitted bedroom furniture providing excellent storage. The room includes a central heating radiator, carpeted flooring, front-aspect window and a single pendant light fitting.

Bedroom two is also a double room, positioned to the front, and features a large storage cupboard, central heating radiator, carpeted flooring and pendant lighting.

The shower room is fitted with a white suite comprising a walk-in shower, pedestal wash hand basin, bidet and WC. The room is fully tiled to the walls, with carpet fitted to the floor, and benefits from a central heating radiator, obscured glass window and single pendant light fitting.

Externally, the property features a neatly maintained front garden and a block-paved and concrete driveway providing off-road parking for up to four vehicles. The driveway leads to a garage with an electric up-and-over door, power and lighting, workshop area, window and a personal access door to the rear.

The rear garden is well kept and designed to be manageable, being laid mainly to lawn with planted borders and a large raised decking area. The space is fully enclosed with fencing and offers a pleasant outdoor area.
