Upon entering is a good sized entrance hall with flagstone floor, exposed stone wall, skylight and rustic panelled wall with built-in planters. A sliding door opens to the office, again with flagstone floor and skylight. This versatile room could also be used as a playroom or utility room as it has all the plumbing in place. From the hall is the stunning open plan kitchen and dining room with flagstone floor and exposed natural stone. The bespoke kitchen, crafted by Burghley bespoke interiors, has a range of units with a mixture of oak doors and a painted finish in Farrow and Ball 'Stiffkey Blue', all with 'soft close' and topped with attractive leathered quartz worktops. Double doors open to a 'Coffee Station' where appliances can be neatly tucked away and in the corner double doors open into a large, shelved, walk-in pantry with space and plumbing for a dishwasher. Within the kitchen is a sink and space for both an American style fridge Freezer and a range cooker. A breakfast bar to seat three to four people is topped with natural wood and naturally divides the kitchen from the dining area. The dining area, with space to comfortably accommodate a table to seat eight to ten, benefits from a multi-fuel stove and tri-folding doors leading out to the patio and garden beyond. From the kitchen a door opens into a large double bedroom with window to the side, rustic wood panelled wall, skylight and ensuite shower room, this versatile space

could also be used as snug or larger home office. The ensuite comprises, WC, wash basin and shower with attractive wood effect porcelain tiles. From the dining area steps lead up to the dual aspect sitting room with wooden floor, exposed stone wall, two large windows looking out over the garden and views beyond and a multi-fuel stove as the focal point. Double doors open into the inner hall with doors out to the garden, oak staircase to the first floor and understairs laundry cupboard with space and plumbing for washing machine and tumble dryer. Leading off the hall is the generously proportioned principal bedroom which features exposed stone, windows to the rear, built-in book shelves and a rustic panelled feature wall with 'hidden' doors leading to two walk-in dressing rooms, both with shelves and hanging space. The ensuite bathroom has wood affect porcelain tiled floor, attractive teal chevron wall tiles, WC, vanity wash basin and shower enclosure with brass fixtures and fittings throughout.
