Pitcrocknie Village by Alyth

Named after the ancient Pitcrocknie Stone which forms a feature within the development, Pitcrocknie village occupies 140 acres, with 60 acres comprising the residential village which will when fully completed encompass 200 or more houses, a 9 hole golf Course, Restaurant/Bar, commercial units, extensive walking/buggy paths, communal gardens, woodlands, a regenerated "Back Burn" feature, and ponds.

The Pitcrocknie Bar & Restaurant can cater for up to 150 people for functions, weddings and various other social events. Located on the site of the former Glenisla Golf Course, owned by Glenisla Developments Ltd, the remaining 9 holes of the Glenisla Golf Course is close to and managed by Alyth Golf Course which is open to residents of the Village with membership discounts available. Pitcrocknie Village is a multi generational residential location with no age restrictions. It features a care home (under construction and will be opened in 2022) situated on the North West boundary of the village, and staff from the facility can be available to provide domiciliary care, if required to be used (assisted living) subject to the Terms and Conditions of the care home provider. It is surrounded by picturesque countryside, harbouring a wealth of idyllic walks and outdoor opportunities.

The area provides a highly sought-after rural lifestyle that is peaceful, yet still well connected. From the development, it is a reasonably short walk to the amenities in the village of Alyth and it is also within easy driving distance to Blairgowrie, Forfar, and Dundee, where a wide range of shopping, leisure, and cultural facilities can be enjoyed. The nearby twin burgh of Blairgowrie and Rattray is approximately six miles from the development (roughly ten minutes by car), providing excellent amenities for all your daily needs. Popular with anglers, walkers, and golf enthusiasts, Blairgowrie is also the starting point for the 60-mile circular Catearan Trail and it is the gateway to Glenshee, affording access to year-round sports facilities including skiing, mountain biking, abseiling, and paragliding. Pitcrocknie Village lies close to major road links connecting to Perth, Dundee, and further afield.
