Description

A three-bedroom semi-detached family home situated within a popular village location offering three bedrooms and a large enclosed rear garden.

The property is approached via pedestrian access only, with green space to the front. There is a small front garden area which is fenced and gated with a path leading up to the front and side doors.

The entrance hall provides access to the kitchen/diner, downstairs bathroom and lounge. The lounge is a wonderfully light room with fire and surround, with a large window to the rear of the house overlooking the spacious and private garden, there is also an under-stair storage cupboard. The kitchen/diner is another good size room with scope to update and personalise and is situated to the rear of the home, with a side door leading out to the alternative entrance to the property, with further access to an outbuilding/store area - there is access to the rear garden from here. From the main entrance hall, you will also find the family bathroom with WC, wash hand basin and shower.

On the first floor there are two double bedrooms and a single bedroom. The single bedroom has a variety of uses such as a home office or nursery. Both bedrooms one and two overlook the rear garden and enjoy ample natural light and space for plenty of additional furniture.

Parking for the home is on street only with easy pedestrian access to the home. There is a small front garden with access through the side door, to the enclosed rear garden. The rear garden is level and south facing and is a very generous size, with a large patio area bordered by flower beds, leading onto a large lawn which is fully bordered by tall conifer hedging. The home lends itself to a beautiful extension, subject to gaining relevant planning permissions.
