Description

The Nook is an attractive detached bungalow of character. The spacious entrance hall leads to all the principal rooms. The reception room enjoys a double aspect and is centered around a working fireplace with wood burner. The kitchen is of a generous size with ample cupboard space and an oil fired Aga, and this leads through to a useful utility room which in turn leads to the garden. Both bedrooms are doubles and are served by a well presented family bathroom. The property's current configuration would make a very comfortable family home although it does offer huge potential to extend and enhance subject to any necessary consents being obtained. Outside the property enjoys parking to the front and to the rear is a generous sized garden. The Nook enjoys vehicular access along a neighbouring drive to give access to the garage and workshop at the end of the garden. The property is situated in the centre of the popular village of Ninfield which has a primary school, doctors surgery, pub and shop, whilst a more comprehensive range of amenities can be found at nearby Battle with its attractive High Street with independent shops, pubs and restaurants as well as a mainline station with regular services to London Charing Cross. On the coast at Bexhill has the iconic De La Warr pavilion, supermarkets and shops as well as the highly regarded Cooden Beach golf course. The property falls within Claverham catchment area and is generally very well served for schools both comprehensive and private at primary and secondary levels.
