Owner's View

Our home is tucked away on a private drive, overlooking a green which is maintained well and is a lovely place for the children to play. At the bottom of the drive, across the road is a play park and fields with lots of open space. We've always felt so safe here and have never had any trouble. The house is a lovely size for a growing family, and we have brought our 4 children up here and have never felt there wasn't enough room for us all.
