Guide Price £327,500 - Freehold

PROPERTY DESCRIPTION

Offering the huge benefit of solar panels is this three bedroom semi detached house located on a cul de sac in the popular Cherwell Heights area of Banbury.

The property is set back from the road with a small front garden laid to lawn and driveway leading to the garage plus a pathway leading to the entrance porch. From the entrance porch is a door opening into the hallway where you can find stairs rising to the first floor landing and doors leading to all ground floor accommodation.

To the rear of the house is the sitting room with large, double glazed sliding doors leading out to the garden and providing plenty of natural light. The kitchen / dining room is situated on the front of the house and offers a range of base and eye level cabinets, worktops and a selection of fitted appliances, while a double glazed window to the front provides natural light.

From the first floor landing are doors to all bedrooms, the family bathroom and access to the loft space. Bedrooms one and two are both generous double and the third is a good single room. The family bathroom is fitted with a white three piece suite with tiling to the splash prone areas.

The rear garden is accessed by stone steps leading up to a paved patio with timber shed and borders planted to various flowers and shrubs. There is a small lawned area and a vegetable patch with the whole garden being enclosed. A pedestrian door leads into the large tandem length garage which has power & light connections along with an up and over door.

Agents note: the property benefits from solar panels to the front aspect which is south facing so generates a high level of usable electricity even in the winter months. Heating and hot water is currently supplied by mains gas central heating.
