The Situation

The property is situated off Meerut Road in a quiet and highly regarded private road opposite the open forest at Butts Lawn. Brockenhurst village centre is within walking distance and offers a mainline railway station with direct links to London Waterloo and a good local community of shops and restaurants.

Approximately 4 miles to the south is the Georgian market town of Lymington with its extensive yachting facilities, famous Saturday market and ferry service to Yarmouth, Isle of Wight. To the north is the village of Lyndhurst and Junction 1 of the M27 motorway which links to the M3 giving access to London.

This leafy village on the southern edge of the New Forest has everything you could want for family life in the Forest.

The Local Area

It is Brockenhurst's mainline station (service into London Waterloo approximately 90 minutes) that turns the dream of a country idyll into reality for those working up in London and makes Brockenhurst village a property hot spot.

Brockenhurst is the largest village in the New Forest, a thriving and lively mix of community and cachet, quality and quirky with all the necessary essentials of a proper working village - butcher, bakery and greengrocer, full quota of cafes and tea houses, plus services such as doctor, dentist and bank. Work into the equation the unexpected and the glamorous: a wine and cheese cellar, premier golf course, luxurious spa and top restaurants such as The Pig (the first in the group of hip country house hotels) and Cambium (fine dining at Careys Manor). It all makes Brockenhurst a gem in the heart of the Forest.
