About the Property

This beautifully presented home offers flexible accommodation over three storeys and has been skilfully extended by the current owners to create a desirable, modern family home.

Entering the property, an enclosed porch leads to the main ground floor accommodation.

This attractive family home enjoys three reception spaces: a front lounge reception with plenty of space for soft seating, which is ideal for relaxing in, a formal dining room enjoying direct access outside to the rear patio terrace and last but by no means least, an extended lifestyle space with feature glass atrium and French doors leading out to the landscaped rear garden.

A quality modern kitchen with space for freestanding appliances feeds both the extended lifestyle space and the formal dining room, currently set up as an additional lounge space.

Rising to the first floor, two double bedrooms greet you with the main positioned to the front of the property, offering a degree of separation to the rest of the household. The second bedroom overlooks the landscaped rear garden, and a modern family bathroom completes this level.

Two further bedrooms are located on the 2nd floor with an additional shower room completing the accommodation on offer.

Externally, the property offers a sunny easterly aspect and the gardens are well maintained to the front and back. The property enjoys a private patio terrace immediately adjoining the rear of the property, side access and a BBQ area - an ideal entertainment space for the summer months. A useful storage shed is located at the rear of the plot.

To note, based on this property's desirable location, permit parking is appropriate and the cost of this is approximately £80 per annum for 2 cars.
