DESCRIPTION

A unique opportunity to acquire a prominent central Wells property situated on Sadler Street with views towards Wells Cathedral and offered with no onward chain. The property is Grade II listed with original features such as high ceilings, fireplace and 20 pane bronze casement windows. The building is believed to have been built as part of a terrace of houses on Chamberlain Street, taking the building into Sadler Street with a graceful quadrant curve.

In more recent years the property has been used as commercial premises with a residential flat on the upper floors. The building now represents a fantastic opportunity, subject to the necessary consents to create a wonderful two to three bedroom family home or bolt hole within the city centre (subject to necessary consents). Over the years the property has been well looked after by the current owner and now offers a blank canvas for someone to place their own mark and finish to their own exacting standards.

Upon entering the property via the double doors is a panelled hallway leading into a larger inner hall or into the first of the ground floor rooms. This room currently has a media wall installed and windows looking out to both Sadler Street and Chamberlain Street. A further room, formally offices can be found on the ground floor along with a staircase to the basement which comprises a large storage room, kitchen, store cupboard and WC. A beautiful staircase winds to the first floor which comprises two large storage cupboards and two further rooms, one of which having a features fireplace and the other having a light and sunny dual aspect. On the second floor is another large dual aspect room with exposed beams and wonderful views towards Wells Cathedral along with a bathroom and storeroom adjacent.

OUTSIDE

There is no outside space with the property. There are numerous green spaces within easy walking distance of the property, with the Cathedral Green just across the road.

LOCATION

The picturesque City of Wells offers a range of local amenities and shopping facilities with four supermarkets (including Waitrose), as well as twice weekly markets, cinema, library, leisure centre, a choice of pubs and restaurants, dentists and doctors, several churches and both primary and secondary state schools. There are also many highly-regarded independent schools (Prep & Senior) within easy reach, such as All Hallows Prep School, Downside School, Wells Cathedral School and Millfield School.

For those travelling by train, Castle Cary station (which has direct services to London Paddington) is situated only twelve miles away. Both the City of Bristol and the Georgian City of Bath, a World Heritage Site, are located just 20 miles away and easily accessible.
