

This largely extended five bedroom property is located a two minute walk from Upton Court Grammar School boasting the idyllic location for a family. The property also lies a short distance from multiple other nearby schools, as well as being within easy reach of many convenient amenities including Slough High Street and Upton Hospital.

A grand entrance hallway features tall ceilings and elegant tiles with the benefit of underfloor heating, creating a warm welcome into the home. The original garage has been converted and now acts as a 13ft study. The original bay-fronted living room stretches 14ft, offering a cosy space for the family, whilst the rear of the property has been extended to a very high standard, providing two additional reception rooms suitable for both entertaining and dining. A downstairs cloakroom and kitchen are also located on the ground floor.

The modern kitchen is fully fitted with Miele appliances and offers stylish granite worktops complemented by high-gloss grey units and a breakfast bar.

The first floor features four fantastic size double bedrooms with a range of fitted wardrobes, one en-suite shower room and a large family bathroom. The contemporary loft conversion provides space for the master bedroom, a spectacular 21ft room with large windows, eaves storage, walk-in dressing room, and an unmatched luxurious en-suite bathroom featuring a double-width tub.

The garden faces south-east and enjoys a high degree of sunlight throughout the day as well as tall trees that provide lots of privacy. The rest of the garden is mostly laid to a well-manicured lawn, with mature shrubs, patio area suitable for outdoor furniture, and gate for side access. A brick-built outbuilding supplies power and light with potential uses including gym/home office. There is off-street parking for three car at the front of the house.
