Description

Glenhurst is an attractive detached 1930's property which has recently had extensive works carried out which included a complete re-wire, re-plumbed with new boiler and radiators and new block paved driveway. The property has further potential for cosmetic enhancement as well as huge potential to extend subject to any necessary planning consent being obtained.

The property currently offers two generous reception rooms, a fitted kitchen and to the first floor are three comfortable bedrooms. The outside space is a particular feature of the property and the front and rear gardens have mostly been re-fenced. There is a gate leading to the block paved driveway which offers ample parking and turning. A secure side gate leads to the large, level, south facing rear garden which has two sheds as well as the original brick built privy which is currently plumbed in to provide a useful utility room with wc.

Viewing is recommended.

Directions

From our office in Battle high Street proceed to the roundabout at Ninfield, opposite the pub, turning right towards the green where the property will be found shortly along on the left hand side just after the Church Road turning.
