

Martel Close, CAMBERLEY, Surrey GU15 1QS

Jigsaw Estates are proud to present to the market this beautifully presented link detached home situated in a quiet cul-de-sac location on the popular Wellington Park development in Camberley.

The vendors have made a number of significant improvements to the property and accommodation comprises three bedrooms, a living room with feature fireplace, a stunning open plan kitchen/diner with bi-fold doors leading to the rear garden and a family room/snug. The kitchen area is flooded with natural light with a large roof lantern as well as the bi-fold doors. Further benefits include a downstairs cloakroom, re-fitted family bathroom and gas central heating. The garage has been largely converted into the family room area but there is still a small amount of storage available.

The rear garden is incredibly well maintained and offers a large patio area with the rest of the garden mainly laid to lawn with a variety of flower and shrub borders. There is side access to the front of the property where you will find a driveway for one car with ample further parking directly opposite the property.

Wellington Park is conveniently situated to be within easy reach of a number of local schools as well as excellent transport links. For local amenities there is a Waitrose Supermarket less than a mile away and Camberley town centre is also only a short distance. For keen walkers, runner or dog owners you have a number of green spaces locally with Barossa Common, Lightwater Country Park and the Frimley Fuel allotments all on your doorstep.
