## GENERAL

Since acquiring the property the vendors have invested significantly in the sympathetic renovation of the main residence which now offers tasteful character home for those looking for a life in the countryside.

They have also purchased additional land which now amounts to some 8.5 acres or thereabouts with a recently constructed stable block with the addition of a detached double garage and studio annexe above.

The property has also been upgraded with air source heating, 12 pv solar panels and internal wall insulation raising the energy efficiency of the property greatly.

A great prospect for those wanting multi generational living or home with an income.

WELL WORTHY OF AN EARLY VIEWING.
