Nampara

4 Heritage Clos | Route De Carteret | Castel | GY57YW

This semi-detached family home is located a short walk from the west coast beaches and the Cobo village amenities. Nampara is presented to the market having been recently redecorated throughout and offers spacious rooms with excellent potential to create an open-plan ground floor as the partition wall was added after the original build was complete. There is also the possibility of building above the single storey ground floor extension to create additional space upstairs. The upstairs has three good-sized bedrooms and a bathroom that could be divided into an en-suite off bedroom one and a family bathroom. There is a further bedroom/playroom/home office on the ground floor. Accommodation comprises large lounge, kitchen/diner, four bedrooms and a bathroom. To the rear of the property is a low maintenance garden with gated access to the front of the house. The driveway provides parking for at least two vehicles and there is an abundance of public parking immediately outside.
