**Description**

A truly stunning four bedroom Semi-detached home situated in an attractive cul-de-sac location within the Shephall area of Stevenage backing onto woodland. Beautifully renovated throughout and presented to a high standard, offering generous size living accommodation to include four bedrooms. A must see!!

This Generous size home has been loved and cared for by its current owners who have completely renovated the property both externally and internally.

The accommodation comprises spacious entrance hall with doors to the downstairs cloakroom. There is a fabulous kitchen/breakfast room with a stunning modern kitchen benefiting from built in appliances, plenty of cupboard space and quartz worktops. This enjoys pleasant views over the garden and woodland. In addition to this there is also rear access.

To the front of the property there is a spacious lounge with feature fireplace and exposed brick. This is open plan to the dining room which is a lovely sociable area for family meal times and entertaining guests. From the dining room there are doors leading onto the large garden room, this is a light and spacious room also enjoying the pleasant views to the rear of the property.

Upstairs the house certainly doesn't disappoint!! Equally well presented and spacious as the downstairs with four generous size bedrooms, 3 of which have built in or fitted storage space.

The bathroom has also been re-fitted and has a stunning enclosed bath with incorporated shower, wash basin and W/C. The walls are fully tiled as is the floor.

Outside to the front there is a double drive which has been block paved.

The rear garden has been tastefully landscaped to include a large patio area, mainly laid to lawn backing onto woodland.
