## Description

Dolphins presents a seldom found opportunity to secure a substantial family home on one of Bexhill's most desirable roads. With accommodation laid out over three floors, all the rooms are bright and spacious and offer a degree of versatility. On entering, the spacious entrance hall gives access to a utility room, shower room, bedroom and a large reception room. The ground floor is considered ideal to create a separate ground floor annex/flat making it ideal for those looking for a home with potential for dual family occupancy. Stairs rise to the first floor where there is the main reception area, a calming space with log burner and floor to ceiling windows and doors leading out to the front balcony overlooking the road and to the rear into a conservatory which overlooks the garden. The well appointed and fully integrated kitchen is open plan with a dining area making it a perfect space for entertaining. A separate study completes the first floor. To the second floor there are three generous bedrooms and a large luxurious family bathroom. There is a substantial loft space which offers further potential to create either another bedroom suite or more living space. Externally, to the front of the property, there is parking for several cars and an established garden that offers a good deal of privacy. There is access to both sides of the property to the manageable rear garden. The property is located within easy access of a comprehensive range of amenities found at Little Common including a Tesco's Local and a doctors surgery. Cooden Station, golf course and the beach are just a short distance away. The area is very well served for schools, both primary and secondary, private and comprehensive. Viewing is highly recommended.

## Directions

From the centre of Little Common, proceed south at the roundabout and take the first right into Meads Road. Continue into Maple Walk where the property will be seen on the left hand side.
