## The Property

Access is gained into the property via a covered porch, leading into a large bright and airy main entrance hall with stairs leading to a first-floor galleried landing with an impressive, full height stain glass window. From the entrance hall, access is provided into a large double aspect kitchen/breakfast room, which has wooden flooring throughout. The kitchen offers base, wall and drawer shaker style units, which incorporate integrated appliances and a free-standing gas Range cooker and double sink. A central island provides additional workspace and storage units; this leads into a good-sized breakfast area with sliding doors leading onto the rear terrace area. Adjoining the breakfast area is a useful utility room with ample additional storage and an internal door leading into the garage, which incorporates a workshop area and parking.

Alongside the kitchen, is a well-placed dining room with a feature fireplace with Purbeck stone, a polished granite hearth and an inset log burner, this room is an ideal entertaining space. The sitting room sits just beyond the dining room and offers double aspect views over the garden, French doors leading to a covered patio area and a log burner, encased by local Purbeck stone with polished granite hearth. Leading under the staircase, there is a study, which would make an ideal home working environment and a lovely conservatory. The downstairs accommodation is completed by a downstairs WC, set off from the main hallway.

The staircase rises to a stunning and open galleried landing, where all bedroom accommodation can be accessed. The principal bedroom offers double aspect views over the beautiful garden, built-in wardrobe space and a large ensuite shower room. Bedroom two also benefits from built-in wardrobes, views over the garden and ensuite with a four-piece suite. The remaining two double bedrooms offer fantastic bright and airy space with plentiful built-in storage, they are both serviced by the family bathroom. The first floor is completed with an abundance of hallway cupboard space, meaning that this home is not short of storage.
