Offered to the market with vacant possession and no on chain is this substantial five bedroom semi detached house which has been carefully extended over the years and is currently arranged as a HMO (house of multiple occupancy) but with some loving work could provide a large spacious family home. The property offers bright and flexible accommodation throughout. With a huge list of benefits, the property comes with rear outbuilding providing flexible usage from storage to a huge home office room, which could be changed to provide some potential home office space, double glazed windows and gas central heating.
