QUIET COUNTRY LANE LOCATION

Description

Situated on a quiet country lane, well screened by mature hedging, the property sits in a secluded plot with approximately 4 acres of park-like gardens and paddock. This substantial property offers versatility and ample opportunity to create a home and income lifestyle and, as the property is currently configured with a substantial annexe, it would be perfect for those seeking a property for multi-generational use. The property is currently configured with the main house having 3/4 generous reception areas and 3/4 comfortable double bedrooms and the annexe is currently configured as having 2 bedrooms, 1 reception room and a large kitchen/diner. However the property is extremely versatile and could be reconfigured to suit individual needs. The grounds are a particular feature of the property, the gardens are extremely secluded, immaculately maintained and very well stocked with mature flower beds, hedgerows and specimen trees. Within the gardens is a large summerhouse, an enclosed vegetable garden including a fruit cage, 2 greenhouses and a barn which is nearly 120ft. in length with enormous potential. There is an opening from the garden leading to a 3 acre paddock which is hedge enclosed and interspersed with mature trees. There is ample off road parking to the front of the property and a detached double garage with workshop to the rear.

The nearby towns of Battle and Hastings have mainline railway stations with regular services to London Charing Cross.
