## The Situation

Brockenhurst is the largest village in the New Forest, boasting a thriving and lively community with all the necessary essentials, including a butcher, bakery, greengrocer, cafes and tea houses, plus services such as a doctor, dentist and a post office. In addition, the village boasts an 18-hole championship golf course, a luxurious spa and a number of highly regarded hotels including the Balmer Lawn, The Pig and Careys Manor, all of which offer fine dining restaurants.

In Brockenhurst the New Forest surrounds you and wild ponies, donkeys, deer and cows roam at will. The North and South Weirs streams join and as one flow through Brockenhurst and in Brookley Road the stream flows across the road, commonly referred to as The Splash. It is Brockenhurst's mainline station (service to London Waterloo approximately 90 minutes) that turns the dream of a country idyll into reality for those working up in London and makes Brockenhurst village a property hot spot.
