Approached through a vehicular and pedestrian gate there is a generous parking area next to the house. The formal gardens extend to the south of the house and are extremely sunny. Immediately adjoining the house is a terrace with beautifully planted borders and room for a large dining table. Beyond the terrace is the ancillary two bedroom accommodation complete with shower room. The majority of the garden is laid to lawn with mature planting at the borders and occasional fruit trees. To the rear of the house is a further outbuilding which has power, water and drainage and is currently used as a laundry room.

## The Situation

Norleywood is an extremely attractive and sought after village in the New Forest National Park, being equidistant between the nearby Georgian market town of Lymington, which is famous for its internationally renowned sailing facilities and two marinas and Brockenhurst, which offers a good local community of shops and restaurants, together with a mainline railway station with a half hourly service to London Waterloo (journey time of approximately 90 minutes). The village is fringed by the open Forest and as a result is the ideal jumping off point for endless walks and rides.

## Directions

From our office in Lymington proceed down the High Street and on reaching the bottom turn left into Gosport Street. At the roundabout take the second exit onto Bridge Road and continue over the Lymington River. Proceed left into Undershore Road B3054 and continue on this road for approximately 2 miles. At the Bull Hill crossroads turn right into Norleywood Road and continue into the village. Just after the red telephone box turn right into Brook Hill and then immediately right again into a gravel track which is Joys Lane. Continue to the end of the lane and the house is the last but one on the left hand side.
