DESCRIPTION

14 Rivers Reach is an attractive end of terrace home, with a low maintenance garden and a single garage, set close to the heart of Frome.

As you enter through the front door you are greeted by the hallway which is a very useful space for storing coats and boots. From here you have access to all the downstairs living space. A set of stairs lead to the first-floor accommodation. On the ground floor and to the right-hand side of the property, you are greeted by a generously sized living room with the electric fire acting as the main focal point of the room. There is space for two good sized sofas, ideal for relaxing or entertaining with friends and family. At the rear of the property you have the kitchen which is a good size. It has a range of wall and base units, an integral oven, a four-ring gas hob and there is space for a free-standing dishwasher. A door leads to the private rear garden. There is also a light and airy dining room with double doors leading to the gardens, a wonderful arrangement for al-fresco dining.

On the first floor you are greeted by the landing and from here, you have access to all three of the bedrooms, two of which are doubles and have built in storage and the third being a generous single which could be turned into a home office with views over the rear garden.

The family bathroom is a good size and is fitted with a three-piece white suite.

OUTSIDE

The rear garden is fully enclosed and is low maintenance. There is space for a table and chairs which is perfect to enjoy the long summer evenings and there are a variety of trees and bushes providing colour throughout the year.

The garage is a good size and there is space to store a single car as well as a single parking space in front of the garage.

ADDITIONAL INFORMATION

Gas fired central heating and electric fire. Mains gas, electricity, water and drainage are all connected.
