ACCOMMODATION:

The property is accessed principally from the front elevation, with further side access into the rear garden. An entrance porch offers space and hanging for coats and shoes and a further obscure double glazed door leads into the main living accommodation. Here there is attractive timber flooring and plenty of space for loosely defined living and dining areas within this sociable open plan arrangement. Stairs lead from here to the first floor, with a useful storage cupboard beneath. The living area features a front facing window, chimney breast with recesses to either side and an open fireplace with a wood burning stove. The dining area has plenty of space for a generous table and chairs, ideal for family dinners or entertaining, and a range of display shelving. An opening leads through into the spacious kitchen/breakfast room which features a tiled floor throughout and plenty of natural light from the dual aspect side and rear facing windows and doors. The kitchen comprises a comprehensive range of attractive wall and base units with solid wooden work surfaces, tiled splash backs, single drainer composite sink with mixer tap and a large breakfast bar. Space and plumbing is available for a washing machine, tall fridge freezer and one and a half width range style cooker, with gas hob and hood over.

From the first floor landing, doors open to an attractive modern bathroom with a heated towel rail, plenty of space for storage furniture and a white suite including flush WC, pedestal wash basin with cascade mixer tap and P-shaped bath with mixer shower over. There are two bedrooms on this floor, one of which is a generous size single room with a pleasant aspect across the rear garden and a wonderful Victorian style fireplace. The main bedroom is an excellent size and enjoys a dual aspect with side and front facing windows for natural light as well as ample space for a double bed with accompanying furniture.

OUTSIDE:

To the front elevation the property is tucked away from Somerton Road in a small enclave of similar cottages. A pathway leads across the terrace towards the front elevation and continues around the side towards the rear garden.

The rear garden can also be accessed from French style double doors opening out to a patio surrounding the rear elevation and providing excellent entertaining space. To the side there is a generous timber shed for storage and a small outhouse at the rear houses the combination central heating boiler as well providing storage and space for

a tumble dryer. A few steps lead up from the rear patio to the remainder of this particularly generous garden which is mostly laid to lawn, providing a pet and family friendly space, fully enclosed by a combination of stone wall and panel fencing. A area at the rear of the plot could provide a great enclosure for outdoor pets or use as a vegetable plot. Various raised planters provide potential for any keen gardeners and the south-westerly aspect will enjoy plenty of any daytime sunshine.

SERVICES:

Mains gas, electric, water and drainage are connected and gas central heating is installed. The property is currently banded B for council tax, within Somerset Council. Ofcom's service checker states that external mobile coverage is likely with four major providers, whilst Ultrafast broadband is available in the area.
