There is a stylish en-suite shower room with large walk in cubicle and Velux window.

Directions

From our Lymington office, proceed up the High Street bearing right onto the one way system. Continue along Southampton Road, through the traffic lights and over both roundabouts. A short distance after the second roundabout, turn right into Buckland Gardens. The property is located on the left hand side towards the end of the development.

Situation

Buckland Gardens is an exclusive development of modern homes set on the Northern side of the Georgian market town of Lymington, which hosts a range of cosmopolitan shops, a picturesque harbour and two marinas as well as sailing clubs. To the North is the New Forest village of Lyndhurst which leads through to Junction 1 of the M27 which links to the M3 giving access to London. There is also a branch line train link (5.5 miles) to Brockenhurst Railway Station providing a half hourly service to London Waterloo with a journey time of approximately 90 minutes. There are also countryside walks moments away in the famous Buckland Rings and the High Street can be visited either by foot or a nearby bus stop.

Grounds & Gardens

The property forms part of a small private setting within Buckland Gardens. The house is discreetly positioned at the end of the development which affords a high degree of privacy. To the front of the property there is a small garden with a pathway leading to the front covered porch. To the side of the property there is access to the covered carport and this provides parking for a couple of cars. The rear garden enjoys a southerly aspect and a good degree of privacy during summer months and can be accessed via a secure pedestrian gate to the side of the property. There is a large wooden workshop providing useful storage for bikes and garden furniture.
