The Property

The house has been well maintained by the current owners and is nicely presented. The location and orientation of the building has been cleverly designed to maximise the beautiful open views across its gardens towards the Lymington River. The accommodation is exceptionally open, bright and spacious. The front door opens onto a wide hallway which leads directly to the generous sitting room which features a wood burning stove and sliding doors to the garden. On the other side of the hallway is a large kitchen/breakfast room, with sliding doors at the front and access to the courtyard at the rear and doors to the adjoining family room, utility room and pantry. It has ample fitted units and space for free standing appliances such as range cooker and American fridge freezer. To the rear of the house, also with sliding doors to the garden, is a light and spacious garden room/dining room as well as a separate study and cloakroom/wc.

Upstairs there is a total of five bedrooms, all of which are generous doubles, with the main bedroom having an en-suite shower room and balcony. The guest bedroom has an en-suite shower room and there is also a family bathroom. The living/bedroom is a particularly generous room with sliding doors onto a west facing terrace, an en-suite shower

room and kitchenette. This room has its own staircase leading to the ground floor where there is a door to the outside which provides a private and independent access. Both the bedroom and the ground floor family room link to the main house but can also be separated to provide a spacious and independent annexe for extended family or guests.

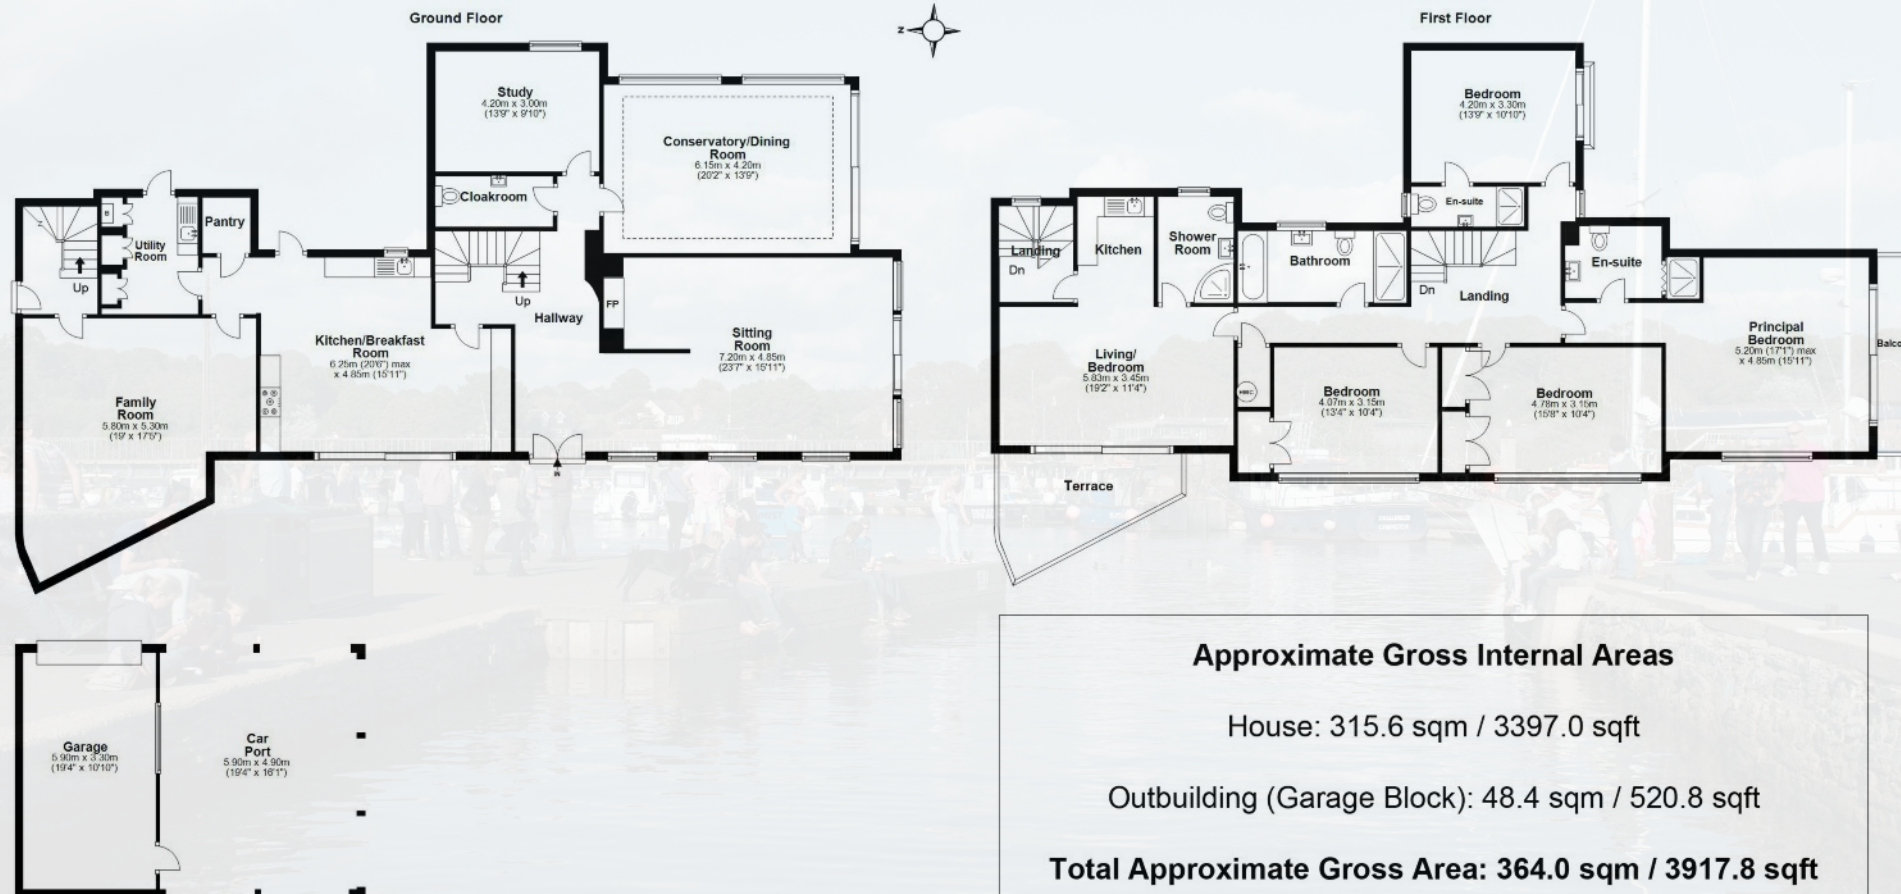

FLOOR PLAN

The grounds extend to a total of 0.65 acres of southerly gardens which lie within easy reach of Lymington's High Street and Marinas and the open forest.

Grounds & Gardens

The house is in an elevated setting and is approached over a sweeping drive which leads to a large turning and parking area adjacent to both the house and the detached garage block which comprises a single garage and double car port. The gardens lie

predominantly to the south of the house and are mainly laid to lawn with mature hedging and planting at the boundaries affording good privacy. Steps lead to a patio with a timber covered garden structure. There is a vegetable plot to the rear of the garden which is screened from the house.

The Situation

Undershore Road is a particularly appealing location due to its proximity to both the Lymington River and the busy High Street that offers a Saturday market and a range of independent shops, bars, coffee shops and restaurants. Ideally located for sailors, Lymington has an excellent range of sailing clubs, moorings and marinas all of which provide unrivalled access to the Solent. To the north lie the open spaces of the New Forest National park with miles of walks and cycle tracks. Lymington has a railway station offering services to London Waterloo via Brockenhurst.

Directions

From Lymington, head to the bottom of the High Street and turn left into Gosport Street. At the mini roundabout turn right towards Beaulieu. Immediately after crossing the river, turn right into Undershore Road. Pass the Ferryman pub on the left hand side and the entrance to the property is the second driveway on the left after the pub.
