Description

Attractive and thoughtfully designed four-bedroom family home with south-facing back garden in a tranquil village location not far from Weare First School, and awaiting its next make-over.

Sparrows Landing has a satisfying circular flow round through the ground floor living space linking the three reception rooms, the kitchen and the entrance hall. The well-proportioned living room, with its wall of fitted cupboards, offers plenty of space for comfortable seating and other furniture. The second sitting room is a cosier space with a feature fireplace housing log burning stove, and double doors opening into the dining room. This lovely light dining room has sliding glass doors to the rear garden, extending this sociable entertaining area out into the garden. The kitchen is fitted with a modern range wall and base units, with a range style cooker with electric hob. There is further storage and space for appliances in the

adjoining utility room, and there is a cloakroom off the entrance hall.

The four double bedrooms are upstairs. The larger two benefit from ensuite shower facilities, built-in wardrobes, and a walk-in wardrobe. The other two share a family bathroom with a shower over the bath.

The house is situated back on its plot with driveway parking for a couple of vehicles. On a sunny day the south-facing back of the house and rear garden are bathed in sunshine. Paved terracing runs across the width of the house providing ample space for seating. The garden is mainly laid to lawn with mature borders running up to a large wooden decking area which would be a fabulous place for relaxing and entertaining but, at present, is in need of repair. Here there is also a summer house.
