Blending contemporary and cutting edge architect-led design with innovative building techniques and materials, Drake Avenue has been a ground breaking development in North Devon and John Smale & Co and delighted to offer what is arguably the premier property of the developments first phase, being sited on one of the largest plots and having a wonderful and open outlook towards the estuary. There is a welcoming entrance hall with space for coats and shoes and door opening to the open plan living/dining area with it's trademark wall of floor to ceiling glass, filling the space with natural light. There is a well equipped kitchen area with pleasant outlook, whilst the inner hallway gives access to the Master Bedroom and en suite shower room and door to the sunny rear garden. There is a second double bedroom to the front and well fitted family bathroom, whilst to the first floor is an attractive bright room with balcony overlooking the garden.
