Northwick Worcester

 4	 2
 2	EPC D

Located in a peaceful lane in the heart of Northwick, this spacious detached bungalow was built in 1987.

The property requires some cosmetic work internally, but this should not detract from the potential of this beautiful family home. The living room is located at the front of the property and extends up to 21 feet in length, while the kitchen and dining area are located at the rear of the property with French doors leading to the garden.

There are four bedrooms, a family bathroom, and a separate shower room.

The front of the property has a garden area and a driveway leading to the garage located at the rear of the property. The rear garden is private and could be a tranquil retreat.
