Ground Floor

Entrance

A composite secure entrance door opens onto the entrance hallway.

Entrance Hallway

A spacious entrance hallway with a staircase that rises to the first-floor landing that has nicely designed storage cupboards beneath. There are wooden floors which run throughout, recessed spot lighting and further storage cupboards.

Sitting Room

7.33m x 6.58m (24' 1" x 21' 7")

An extremely spacious formal reception room which has been beautifully appointed with Amtico herringbone floors. This formal reception room is particularly large and draws light from a wide set of bi-folding doors which open directly onto the rear garden and a pair of double-glazed windows which face the front elevation each with a radiator set below. The central feature of the room is as fireplace with a stone surround and is complimented by floors that are laid in a herringbone pattern and a dropped cornice to the ceiling which has feature lighting above. The room has been designed for a Samsung Frame TV and in-built Sonos music system. Cat6 cabling serves the room also.

Kitchen / Breakfast Room

5.58m x 4.21m (18' 4" x 13' 10")

The kitchen has been fitted with an extensive range of quality shaker style units that have been fitted to both base and eye levels as well as an island unit there are Quartz work surfaces that extend along two sides as well as the island. Set into the island is a sink drainer unit with mixer tap, integrated appliances include a double oven, a wine cooler, an integrated fridge freezer and a Range style oven with extractor hood above. There are two sets of bi-folding doors each of which open directly onto the rear garden. Recessed spotlighting to the ceiling and a continuation of the wood flooring from the entrance hallway. Wall-mounted television point plus Cat6 cabling for Sky and Wifi connectivity.

Family Room

4.96m x 3.98m (16' 3" x 13' 1")

Drawing light from double glazed sash windows which face the front elevation with a radiator set beneath. There are recessed spotlights and integrated speakers to the ceiling. The Family Room is cabled for Dolby Atmos cinema with in-built speakers. The communications cupboard hidden in the corner of the room brings both fibre and copper telecommunications (from two sperate distribution points, satellite and CCTV into the house plus houses the router powering the Cat6 cabling going to each room of the house plus the garage and the gym).

Ground Floor WC

Fitted with a concealed cistern WC, heated towel rail and a fitted vanity wash hand basin with a marble countertop plus undercounter sink with cupboards beneath. There is an extractor fan and obscured double-glazed window to the rear.

Utility Room

The utility room has been fitted with modern high gloss handleless units which have been fitted to both base and eye levels with a square edged work surface which has an inset stainless steel sink drainer unit. There is space and plumbing for a washing machine and tumble dryer as well as space for a large American-style fridge freezer. There is double glazed window to the rear, a door with glazed inserts which leads to the side and recessed spotlighting to the ceiling.

Study

3.98m x 2.19m (13' 1" x 7' 2")

Double glazed sash window to the front elevation with sash window set beneath, continuation of the wood flooring from the entrance hallway, recessed spotlighting to the ceiling. Cat6 cabling allows for the house/family printer to be stationed here plus Sky TV if required. This could alternatively be a lovely music or games room.
