dining room there is a bay window with bespoke wooden shutters overlooking the front garden, wood burning stove and a turning staircase from here leads to the first floor.

The sitting room also enjoys a bay window to the front and a feature fireplace houses a wood burning stove with shelving to either side. The dual aspect farmhouse kitchen/breakfast room has a range of fitted wall and base units with AGA and space for appliances.

The inner hall has an under stairs storage cupboard and a door leads through to the utility and boot room which has a cloakroom leading off and a door to the garden. In addition to the downstairs of the property there is a playroom, tack room and a study.

To the first floor there are four bedrooms, two of which have built in storage cupboards. There is also a family bathroom

## Outside

The property is approached over a driveway which leads to the detached double garage and parking area. There is a detached stone barn which is currently being used as a garden room but has the potential of bringing in an income for AirBNB purposes, subject to the necessary planning permissions being sought. Alternatively, the garden room could be used as a home office, gym or cinema room. There are charming enclosed gardens which are predominantly laid to lawn with mature flowerbeds and borders housing a wide selection of plants, shrubs and bushes. Nestled within the corner of the garden is a gravelled seating area, ideal for enjoying those summer evenings. Encompassed by stone walling there are pathways leading to the front garden and covered terrace, enjoying views across the neighbouring countryside and beyond.
