SPENCERS
NEW FOREST

A unique opportunity to acquire a detached cottage in need of full refurbishment set in one of the most desirable locations on the edge of Brockenhurst with open aspects across the forest at Aldridge Hill. The property currently offers three bedrooms set in a double plot circa 0.6 acres with FULL PLANNING PERMISSION granted for a stunning replacement dwelling and generous outbuildings extending to approximately 212 sqm in total.

The Property

An exciting opportunity to acquire this new forest cottage with planning permission granted to build a double fronted detached forest style property with a central oak framed storm porch set under a triple gable roof line with traditional brick elevations if preferred.

A private shared drive currently provides access to the 1920's cottage which offers a living room, kitchen and bathroom to the ground floor with three bedrooms to the first floor.

The proposed building plans offer generous open plan reception spaces, large expanses of glazing with three double bedrooms, one en suite, and a family bathroom. The principal bedroom is planned to enjoy far reaching aspects over the side garden and paddocks beyond.

Extending to circa 122 sqm, the plans for the main house also incorporate a snug and externally accessed plant room.

Grounds & Gardens

The plot has been extended with the acquisition of part of the neighbouring paddock so the current cottage sits centrally within its plot with views across paddocks to the side and forest at the front.

The grounds offer planning permission to accommodate a double detached garage complex measuring circa 11m x 5m with store room or potential home office to replace the current garage.

Further planning includes a detached studio/garden room approx. 9m x 4m offering further versatile ancillary accommodation that could suit a number of requirements as a gym, guest accommodation or studio.

Situation

Aldridge Hill is situated at the western end of Brockenhurst between Rhinefield and Black Knoll, directly opposite the open forest and close to the much famed Rhinefield Ornamental Drive. The location is arguably one of the finest in Brockenhurst, with the village offering a mainline railway station with direct links to London Waterloo (approx. 90 minutes), a well-regarded primary school and tertiary college and a good local community of shops and restaurants.

The picturesque village of Beaulieu lies 7 miles to the east with the marina of Bucklers Hard on the Beaulieu River. Approximately 4 miles to the south is the Georgian market town of Lymington with its extensive yachting facilities, its famous Saturday county market and ferry service to Yarmouth, Isle of Wight. To the north is the village of Lyndhurst and Junction 1 of the M27 motorway which links to the M3 giving access to London.
