double guest bedroom with en-suite bathroom overlooks the quiet leafy lane. On the second floor there are three more bedrooms which share the use of a separate shower room. Overall this is a lovely spacious family home ideally located a very short walk from the high street, M&S, the twin marinas and Woodside Park.

### The Situation

The house is positioned on an attractive and quiet tree lined road in a prime part of the town and close to the Lymington River and vibrant high street with its range of restaurants, cafes and independent boutiques. Also within easy walking distance are the town's renowned sailing clubs, marinas, and wonderful coastal paths. Lymington is well connected to the capital with a branch line to Brockenhurst station where trains to London Waterloo take less than two hours. The New Forest National Park surrounds the town offering countless walks and cycle rides across beautiful and unspoilt countryside.

*A gravel drive provides parking for three cars leading to a double garage which in turn provides access through to the rear garden.*

## Grounds & Gardens

There is a purpose built store to the left of the house, ideal for bikes, kayaks, garden equipment or paddleboards. The rear garden has an Easterly aspect and is mainly laid to lawn with various mature trees and plantings providing an excellent level of privacy. In the garden there is an attractive custom designed insulated log cabin, which is currently used as a home office with power and cat 5 cabling. The log cabin would suit a multitude of uses including a gym, games room, summer house, occasional annexe, or home business.

## Directions

From our office in the high street turn right and head towards the top of town taking the first left opposite to St. Thomas' Church and onto Church Lane. After a third of a mile take a left fork into Waterford Lane after which the house will be found on the left hand side after approximately 200 metres.
