Entrance Pordh

Enter this sumptuous property by the way of the pordh. uPVC door opening into the main entrance hallway

Main Entrance Hallway

Beautiful spadous hallway dressed in soothing decoration to make you feel warm and cosy on a cold winter's day. Stairs rising to the galleried landing area, and doors to all communicating ground floor rooms. The hall is fitted middle height rail and there is radiator plus decorative cover. Hallway also has a spadous cupboard with sensored lighting inset. The ceiling is fitted with inset lighting and there are decorative cornices. The flooring is tiled throughout. The hallway is also fitted with internal intercom to allow entry into the private gated grounds. This property also has three thermostat controls, one for hall, kitchen and upstairs.

Cloakroom

The cloakroom is situated at the end of the spadous hallway and there are two doors into each section. The first door is where you will find the modern vanity unit with shaped wash hand basin and waterfall mixer tap. The area to the back is tiled to all water sensitive parts. The second door opens into the main cloakroom. This is where the WC is located and behind the door the ladder radiator and extraction fan. There is a window to the rear with blind for privacy as this window looks into the conservatory. The flooring is tiled.

Dining Room

3.25m x 4.90m (10'8" x 16'1") The dining room is substantial in its size and is ideal for families to entertain at this seasonal time of the year. There is a large picture style window to the front aspect with stain glass patterns to the top openers and to admire the Pine tree to the front. The dining room is also fitted with radiator and cover and decorative cornices. The flooring matches the hallway and compliments the lower reception rooms being tiled.

Lounge

4.88m x 6.70m (16'0" x 22'0") This stunning comprehensive lounge is suitable for all your friends and family to relax in before or even after dinner. The centre piece is the featured mulion fire surround with a contemporary gas fire. The lounge is also fitted with expansive sliding patio doors with window to either side opening out onto the full width conservatory. There is also a window to the side looking into the family room area. The ceiling is fitted with inset lighting. The lounge is complemented by the same theme with tiling to the floor areas. There is also TV point and double sockets.

Family Area / Conservatory

4.83m x 5.00m (15'10" x 16'5") Step into this beautiful family area of the conservatory. The bi-folding doors opening out onto the luxury gardens before your eyes. The family area is great for the grandchildren to enjoy and be within reach in case they are naughty! There are patio doors into the main office area / study, or this room could be easily made into a treatment room if required. The family area is fitted with shaped half moon wall lights. The radiator will keep the area warm and the roof is glass and certainly will allow for natural sunlight to keep the room warm as well. The flooring is again tiled throughout and there are double sockets to help with electrical appliances.

Main Conservatory / Breakfast seating Area.

2.00m x 6.90m (6'7" x 22'8") This stunning full width conservatory is beautifully designed to modern day living, its purpose is to allow your entire friends and family to enjoy. Open the bi-folding doors and embrace the spring and summer seasons and during those autumn and winters nights watch the leaves falling. The roof is glass and will reflect the sunshine throughout the time of the year. Also the bay windows allow for storage as well. There are two separate sliding patio doors into the magnificent kitchen. The breakfast seating area is also close to the featured bar, so in the evening why not have a glass or two and relax. There is also a radiator and double sockets, and the flooring follows the same pattern throughout.

Again fitted with a double sided shower cubicle and shower over. There is also tiling to the water sensitive areas. The en-suite is also fitted with vanity unit and shaped wash hand basin with waterfall mixer tap and vanity mirror above. There is inset lighting and extraction system and ladder radiator. The flooring is tiled

Bedroom Three

3.27m x 3.34m (10'9" x 10'11") The third bedroom is also a double and spadous. There is a large window to the front and gives a perfect view of the pine trees. This bedroom can also easily accommodate bedroom furniture, wardrobes and side dress tables. Bedroom is also fitted with sockets and radiator.

Bedroom Four

3.34m x 5.60m (10'11" x 18'4") Bedroom four is also spadous and can accommodate a double bed. There is a window to the front overlooking the main entrance to the property. This delightful bedroom is probably perfect for those younger children to like to have a secret hide away place to relax in and play with their toys before bedtime. The bedroom also can adapt to a wardrobe. We must point out that there is a restrictive headroom to part of this room.

Bedroom Five

2.90m x 3.27m (9'6" x 10'9") Bedroom five is the last of the bedrooms and is also roomy. There is with the other bedrooms enough space to have wardrobes if required. The bedroom is restricted on its headroom. The window to the rear overlooks the beautiful garden. There is inset lighting to the ceiling and radiator.

Family Bathroom

2.30m x 3.13m (7'7" x 10'3") The family bathroom is spadous and modern and stylish along with the rest of the other rooms and en-suites. Laid out so that you can enjoy walking into the large bathroom and decide if you want to take a shower of a bath. The large walk in shower is fitted with open screen with shower and rain shower over. The bath is white suite with grey water sensitive tiling to matching walls. There is a vanity unit with shaped wash hand basin and waterfall tap and above the vanity mirror with lighting. The WC is soft dosing, and there is small chrome ladder radiator. The window to the side is opaque for privacy. The flooring is tiled. There is also inset lighting and extraction system.

Rear Garden

The rear garden is access from the beautiful full width conservatory by the way of doors, or by opening the bi-folding doors. The patio area is expansive and shaped and shaded in colour tones. The central part of the lawn is shaped and edged with block paving edges. There are separate areas for the hot tub with pergola over and a secret footpath to a further covered seating area. To the main patio there is a relaxing area where you can seat your friends and family when entertaining with BBQ's or seasonal parties. The garden is also home to shaped bark and shrub borders with trees. There is timber fencing to enclose the property and side footpath leading to the gate. The garden is also fitted with outside tap and there is contemporary lighting. The garden also has a greenhouse and timber shed. Please note the hot tub is negotiable.

Double Garage

2.50m x 4.90m (8'2" x 16'1") The double garage is remote controlled and allows for either two cars to be parked within, or used as a games room currently. The added bonus is that there is an additional fitted utility area with cabinets and work surfaces over incorporating a stainless steel sink with mixer taps. The flooring is tiled and you will also find the consumer unit in place. There is also power and lighting with double sockets.

Front Garden

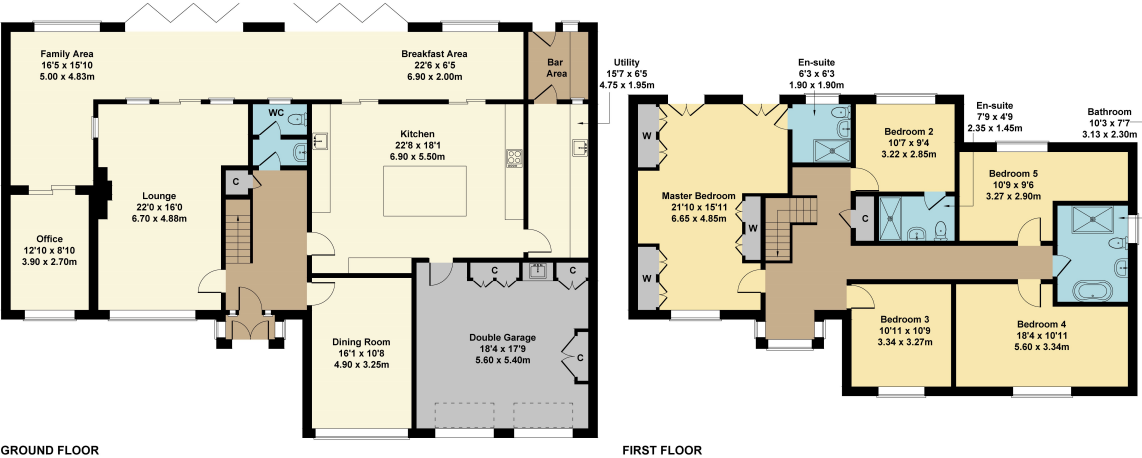

This bespoke home is approached from the main Chelveston road onto a private driveway. The front entrance is enclosed by curved stone walls and privet. On entering into the main driveway there is an intercom connected to the main house. The two wrought iron decorative shaped gates open and you drive slowly onto the gravelled driveway. To the front of this lovely home, the current owners have added two electric EV charger points for those of you with electric cars. The main frontage is also shaped with stone garden walls housing plants and shrubs. The rear of the property can be access by the ornate gates to either side. There are also contemporary lighting and CCTV.

Home Office

2.70m x 3.90m (8'10" x 12'10") This super home office is ideal for any executive working from home and making it easier not having to travel. There is also a uPVC window to the front aspect. This office could offer multiple uses if required, why not make it into a games room for the teenagers to enjoy paying on the x-box. Or maybe into a beauty treatment room. There is enough room for either. The room is also fitted with ceiling blinds and contemporary lighting. The flooring is tiled throughout, and there is also a radiator.
