## 10 Cathedral Rise, Lichfield, Staffordshire, WS13 7LP

# £650,000

Situated just off Gaia Lane which runs adjacent to the cathedral, it is unsurprising that this delightful home enjoys lovely views across to the cathedral spires, particularly so from the rear garden. With a strategically located patio one can sit and enjoy summer sunshine whilst gazing upon the Ladies of the Vale. Close to the heart of the cathedral city the property is perfect for accessing Lichfield city centre amenities and the excellent road and rail network which serves the city. The very generous accommodation layout has interesting potential to create a fourth bedroom, subject of course to the usual planning permissions and building regulations requirements. Nonetheless the property is well laid out with a very large family living room which leads onto a perfectly located conservatory again ideal for enjoying the spectacular view. Rarely available, properties on Cathedral Rise always prove popular and we would strongly recommend an early viewing to avoid disappointment.
