The six-seater dining table fits comfortably in the room and is situated next to sliding doors looking out on to the rear garden. The modern high end kitchen features plenty of surface space, double oven, fridge freezer, hob and extractor and also offers views onto the garden. With units at both base and eye level there is ample storage space. From the kitchen you have a separate utility room with washing machine additional sink and also provides entry via the side access. The garden is split over two levels and is made up of a large, decked area that spans the width of the house and is accessible from the reception room, and the utility room, and provides plenty of seating overlooking the valley in the distance and creating a perfect sun trap seating area. There are steps down

the side of the decking leading to the mature garden which is laid to lawn. With another patio on the same level of turf this garden is perfect for entertaining friends and family. Of course, the benefit of being fully detached is that you have full access down both sides of the property.
