

It is rare that bungalows come to the market in a "move in" condition. This is one of those opportunities. A particularly well presented interior that offers easy to move into accommodation that requires no modernisation.

The property has a delightful and spacious dining kitchen including a central island and integrated appliances, comfortable lounge, updated shower room that includes a walk-in shower, two good bedrooms and a conservatory too.

Externally there is a wider and longer than normal driveway leading to a detached single garage. The front garden is laid to lawn with pretty borders and the rear garden is designed for ease of maintenance with paving and gravelled areas.

Glance along the drive and one will see Castle Hill in the distance. It's a pleasant and quite cul-de-sac, just off Springfield Avenue where bungalows don't come for sale all that often.

Honley is an excellent village with a wide range of activities for people of all ages. There are sports and social clubs, community centres, a library, places to volunteer and places of worship. In addition there are places to eat out and socialise, local parks and some fabulous local walks and scenery.
