Property Description

The home is positioned towards the northerly edge of The Vineries which was once utilised as a nursery during World War II. This popular location offers a quiet and peaceful environment for retirees and families alike, being a no through road, and has a slight elevation offering views towards Canford Magna and beyond. The accommodation comprises three double bedrooms and family bathroom on the ground floor, with Lusso luxury fittings (15 yr warranty) including a rainfall shower. A generous open plan living space spans the rear elevation with full width bi-folding doors to the rear garden. The modern kitchen links the living and bedroom accommodation and boasts branded appliances, such as Neff Hide and Slide oven and 3 in 1 instant hot water tap. There is a generous range of floor and wall mounted cabinets. The first floor offers a double bedroom and cloakroom facility, ideal as a guest suite, and the attached single garage has been converted into a studio with ensuite shower room. The accommodation is complimented by underfloor heating, with new electrics installed in 2022, also double glazing throughout and smart lighting features.

Gardens and Grounds

The front garden is primarily laid to a dressed gravel driveway and there is a paved patio leading to the front door, which is positioned on the right hand side elevation. The driveway leads up the left hand side of the property, providing an abundance of off road parking, which would be ideal for a motorhome or vehicular storage.
