

As you step inside, you are welcomed by a spacious entrance hall, beautifully finished with elegant wall panelling and light-tiled flooring, all benefitting from underfloor heating throughout the ground floor. The refined interior is enhanced by Farrow & Ball paint colours, creating a cohesive and timeless aesthetic that flows seamlessly into the living and kitchen/dining areas. The bright living room provides an excellent space for both relaxation and entertaining, with French doors opening directly onto the garden, allowing natural light to flood the room. To the front aspect, café-style shutters add both character and privacy. The open-plan kitchen and dining area truly forms the heart of the home. The contemporary kitchen features sleek white cabinetry, complemented by a striking muted green floor-to-ceiling cabinet unit, alongside a tasteful blend of wood and light-toned solid surface worktops. Designed for both everyday living and social gatherings, the space includes a stainless-steel range hood, under-cabinet lighting, a hot water tap and ample storage. A conveniently located WC completes the ground floor accommodation.

Upstairs, the first floor offers a calm and comfortable retreat. The principal bedroom benefits from a stylish panelled headboard, built-in wardrobes with mirrored sliding doors, and a modern en-suite shower room. The second bedroom is generously proportioned with built-in wardrobes, while the third bedroom is charming, featuring a tasteful two-tone colour palette and decorative picture rail. Panelling continues throughout the first floor, with the exception of the smaller bedroom. The family bathroom is sleek and contemporary, fitted with large grey tiles, a wall-mounted vanity unit and a glass-enclosed shower.

Externally, the landscaped rear garden offers a paved patio ideal for al fresco dining, a well-maintained lawn, and wooden fencing for added privacy. Integrated wooden storage units and raised flower beds enhance both practicality and visual appeal. A substantial carport provides excellent covered parking. Originally purchased off-plan approximately two years ago, this beautifully finished home is a rare find, combining high-quality upgrades, thoughtful design and modern comfort in an enviable location.

Local Area

Beaconsfield, nestled in the heart of Buckinghamshire, offers a perfect blend of tranquility and convenience. Just 25 miles northwest of London, this picturesque town is ideal for those who require easy access to the capital. Beaconsfield railway station provides swift, frequent services to London Marylebone in just 23 minutes, and the M40 motorway is nearby. The town brims with excellent amenities to suit all your needs.

Local Schools

South Buckinghamshire is well renowned for its schooling options, being one of the last counties to still offer Grammar School education.

Some of the local schools include:

- Dr Challoner's Grammar School
- John Hampden Grammar School
- Royal Grammar School
- Davenies School
- High March School
- Gayhurst School
- Beaconsfield High School
- The Beaconsfield School
- Butlers Court School
- Holtspur School & Pre-School

We recommend that you check with the local authority to ensure that the property falls in the catchment (if applicable) of your chosen educational institution.

Transport Links

The town is served by Beaconsfield Railway Station, operated by Chiltern Railways, which provides frequent services to London Marylebone with a journey time of about 25 minutes. The station also connects to Birmingham and other destinations in the Midlands, offering great flexibility for rail commuters.

For those traveling by road, Beaconsfield is conveniently located near junction 2 of the M40 motorway, granting easy access to London, Oxford, and Birmingham. The A40 also runs through the town, providing another vital route to London and the west.

For air travel, Heathrow Airport is approximately 17 miles away, accessible via the M40 and M25, and offers a vast range of international and domestic flights. Luton Airport, around 35 miles away and reachable via the M1, provides further flight options, enhancing Beaconsfield's connectivity.
